## **Internships and Jobs**

- REU (Research Experience for Undergraduates) <a href="https://www.nsf.gov/crssprgm/reu/">https://www.nsf.gov/crssprgm/reu/</a>
  - o REUs are research internship programs supported by NSF (National Science Foundation). You apply to specific projects, often requires being recommended.
- Texas A&M, Department of Wildlife and Fisheries Sciences Job Board http://wfscjobs.tamu.edu/job-board/
  - o This is a job board that posts internship and job opportunities. All jobs relate to wildlife and fisheries, but include positions in forestry, soil biology, and botany.
- AOU Jobs and Internships Page <u>http://americanornithology.org/content/jobs-and-internships</u>
  - o Page with multiple links to job and internship boards
- Listserves: subscribing to listserves gives access to 'inside' jobs being advertised. This is where associations an institution (eg. MVZ) may give you an upper hand. People talk!
